EHS ORCHESTRA CALENDAR 2015-16

These dates and times are as of 8/21, but may potentially change due to unforeseen circumstances. Please make sure the underlined/highlighted dates are marked in your calendar today, as they are mandatory for your child to attend and count towards their Orchestra class grade. There may be more dates to add to the calendar as the orchestra gets asked to perform, as well as some TBA dates that will be clarified when the schedule gets sent out to me. I will let you know of these dates in writing as soon as I know about them. As always, please let me know **as soon as possible if there are any conflicts with the above dates or any dates given in the future. I can be reached at the following places: laura.bolsen@lawtonps.org (preferred), or 847-644-7308 (this is my cell number- I am more likely to answer this over the school phone due to traveling between schools).

Thank you for all your support!

Laura Bolsen

=====

I have read the above calendar and put **ALL underlined** dates and times in my calendar. I understand that these dates are mandatory for my child's Orchestra grade to attend **the entire time**. I also understand the dates/times may change, and/or other events may be added, and that Mrs. Bolsen will let me know those dates/times as soon as she is made aware of them.
